Playaway Audios

Playaways are an awesome way to read on the go! Unlike CDs, audio cassettes or downloads, Playaways do not need a separate player. Instead, they come pre-loaded and ready to use with one audiobook per device—making them simple to use. They are small enough to fit in your pocket and are battery powered so they can be taken anywhere! Try out this relaxing way to "read" the books you love

Features Include

- Portable: lightweight and easy to take in the car or in a pocket
- Includes a headphone jack and speakers
- Convenient
- Pre-loaded content; no internet or downloads needed
- Durable: no screen to get scratched!
- Made with kids in mind
- Simple: 5 narration speeds so you can listen at your own pace, automatic bookmarking remembers when you took a break.
- Chargeable! Simply use the included standard AC Adapter

Pair with a print book for added literacy and comprehension!

Checkouts are for three weeks; overdue fines are \$.10/day.
