Go to the Portland Library website <https://www.portlandlibraryct.org> And click on the Museum Pass icon.

You can select the museum, the day you want to go to the venue and reserve it with your library card and print it at home if it is a printable pass. If it is a plastic returnable pass, you will reserve it for the specified day with your library card and you can pick it up the morning of the day you want to use the pass. The pass is to be returned by the end of the day.

(Please note that if you are using a plastic pass on a weekend, reserve it for Saturday and it will allow you to use it on Saturday or Sunday; the pass is to be returned to the Portland Library Book Drop on Sunday night.)

Contact the Portland Library at 860-342-6770 for additional information or to reserve a museum pass by phone. Please have your library card number available to make the reservation.

All of our museum passes are printable from home or at the library except for: Beardsley Zoo & No Child Left Inside: CT State Parks.

These 2 are plastic passes that need to be returned to the Portland Library at the end of the pass reservation day. If you want to go to the Zoo on a Sunday, reserve the pass for Saturday and use it either Saturday or Sunday (unless it is a Saturday then it is due Sunday night at midnight).
