Cooperation with Other Libraries Policy

The Portland Library is committed to providing enhanced service to library patrons through cooperation with other library organizations.

The Library shall participate in regional, state and national resource sharing.

The Library shall provide information about its collections for union catalogs and cooperative data bases. The Portland Library shall participate in state library initiatives, such as the Connecticut Library Consortium, Connecticutcard and Connecticutcar and other cooperative means of providing cost-effective service.

Library administrators are familiar with all cooperative library efforts in the state and participate in those that support the goals of the Library.

Information about such services shall be offered to library patrons as is appropriate.
